

Construction Program Scope

Aging-in-Place Assessments

For a flat rate of \$150, a Certified Aging-in-Place Specialist will come to your home and evaluate for safety and ease as you or your family ages.

Our 60-point checklist includes:

- Home exterior
- Accessibility concerns
- Fall prevention
- Bathroom safety
- Lighting needs
- Electrical hazards
- And much more...

You'll be provided with a detailed report of findings, recommendations, and costs.

Repairs & Renovations

Our team would love to help you with your small- to mid-sized project to make sure your home is safe and easy to live in.

Potential projects include:

- Building ramps and decks
- Converting tub to shower
- Installing grab bars
- Repairing rot
- Repairing subfloor
- Flooring installation
- Tile installation
- General urgent repairs

Services are offered on a sliding scale. To qualify for financial assistance, two months of financial statements are required.
