Aging-in-Place Assessments

For a flat rate of \$200, a Certified Aging-in-Place Specialist will come to your home and evaluate for safety and ease of living.

Our assessment checklist includes:

- Home exterior
- Accessibility concerns
- Fall prevention
- Entries & exits
- Lighting
- Bathroom safety
- Kitchen safety
- Flooring & thresholds

You will be provided with a detailed report of findings, along with recommendations and estimated costs.

Repairs & Renovations

Our team would love to help you with your small- to mid-sized project to make sure your home is safe and easy to live in.

Potential projects include:

- Building ramps and decks
- Tub to shower conversions
- Installing grab bars
- Repairing rot
- Repairing subfloor
- Installing higher toilets
- Replacing faucets
- General urgent repairs

Services are offered on a sliding scale. To qualify for financial assistance, income statements for all people living in the household are required.
