Position: **Plumber or Plumber Mechanic**

\*Immediate Availability

Job Description: Plumber/Plumber Mechanic will work on commercial and residential properties, and on new construction and remodels, as well as service calls. Ideal candidate would:

- Have a plumbing license, but we also have openings for experienced plumbers who are willing to grow and earn, and perhaps earn a license along the way.
- Have rough-in experience in addition to trim-out and service call knowledge/experience.
- Have a high school diploma or GED, some trade/technical school, prior construction experience, with the use and care of hand and power tools, appropriate math skills, ability to read and use blueprints, ability to follow safety rules,
- A clean driving record acceptable to our insurance company, and a valid unrestricted drivers license in North Carolina.

Examples of activities may include removing/replacing water heaters (tankless and regular), installing water, air and gas piping according to plan and code, and more.

Candidates must be able to maintain a clean work area and properly store tools and equipment, and arrive on time and ready for work each day. Candidates must also have good communication skills, mechanical aptitude, and be responsible and motivated. All candidates must pass background check and driving record check.

Fixed-NC offers advancement opportunities, job training and continuing education opportunities.

Wage depends on candidate's level of experience and performance; approximate starting pay is \$20/hour. We observe six company holidays and employees receive additional time off beyond that. Company vehicles and gas cards (for authorized work use only) are provided as needed, depending on the job requirements.

We pride ourselves in being a really wonderful company to work with. We are small, we know each other well, and we treat each other with respect, and as a family.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, gender, age, national origin, veteran status, military status, disability, gender identity, sexual orientation, genetic information, or any other characteristic protected by law.
